

Part 1

Welcome to the SLP Special Module

- Thank you very much for your participation in the special module of the Singapore Life Panel.
- Every participant will see the same instructions.
- Please note that you cannot go back to the previous page once you click the next button.
- Please click on the next button to read the instructions.

Next

Task I

- In this task, you will participate in 4 rounds of interactive decision-making.
- In each round, you are asked to play one of "four variations" of the following decision-making against **a computer player** who is programmed to make every choice to maximize the chance of its winning against you.
- One of four rounds will be randomly selected to compute your Task I earnings at the end of this module.

Next

Task I : Lift Game

- Imagine that you and a computer player take a lift from the basement floor and have to go up to a particular **target floor**.
- You and the computer alternately take turns to choose how many floors to go up.
- In each turn, a player can go up to **maximum THREE floors and minimum ONE floor**.
- You are moving first from the basement floor.
- The player who gets to the **target floor** first wins the round.
- You will be informed about the target floor at the beginning of the game.
- If you win, you receive \$5. Otherwise, you receive \$0 in the round.

Next

Task I Practice Round

- Your choice in this practice does not affect your earnings.

TARGET FLOOR : 7

- In each turn, a player can choose to go one floor up, two floors up, or three floors up.
- The player who gets to 7th floor (the target floor) first wins the round.

Part 2

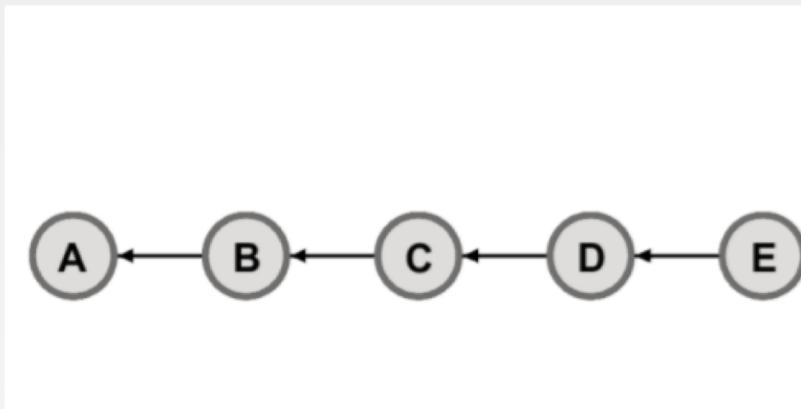

Earnings in Task II

- Task II consists of 5 rounds and you have to make independent decisions for each round.
- At the end of this module, a random draw will determine if you will receive earning payment for this task (10% chance) or not (90% chance).
- After the study has been completed, the research team will randomly group you with 4 other participants in order to determine your earnings.
- The research team will inform you (via email) on your earnings a week after the study has been completed.
- Please make a conscientious decision in each round as if it was selected for real payment.

[Next](#)

Task II

- There are five positions labeled A, B, C, D, and E as shown in the figure below.
- In each round, you are randomly assigned to one of the five positions. In each of the five rounds, you will be assigned to each position once and only once.
- Your position determines who your opponent is:
 - If your position is A, you do NOT have an opponent.
 - If your position is B, your opponent is A.
 - If your position is C, your opponent is B.
 - If your position is D, your opponent is C.
 - If your position is E, your opponent is D.
- Please click on each of the five position buttons below.

[Position A](#) [Position B](#) [Position C](#) [Position D](#) [Position E](#)

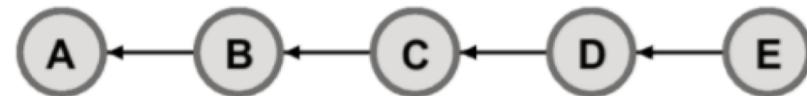

Task II

- If you are in position A,
 - You need to request money amount either of \$10 or \$50.
 - Your earning is simply the amount you request, so you do not need to care about what others will do.
 - That is, if you request \$10, you will get \$10. If you request \$50, you will get \$50.

- If you are in one of positions B, C, D, and E,
 - You need to request money amount out of \$10, \$20, \$30, \$40, or \$50.
 - Your earning comes from two parts:
 1. You will receive the money amount you request (**first part : your choice**).
 2. In addition, you receive extra \$100 bonus if you request the money amount **exactly \$10 less** than the money amount requested by your opponent (**second part : bonus**).

Your earning is "the money amount you request + bonus".

Therefore, you need to think about what your opponent will do.

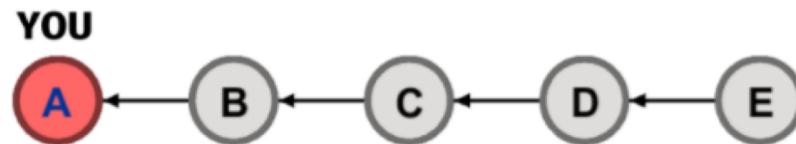

Task II

- Example 1

Task II instruction

- Suppose you are in position A. You do NOT have an opponent.
- You can request either \$10 or \$50.

Your Choice	Your Earnings
\$10	\$10
\$50	\$50

Next

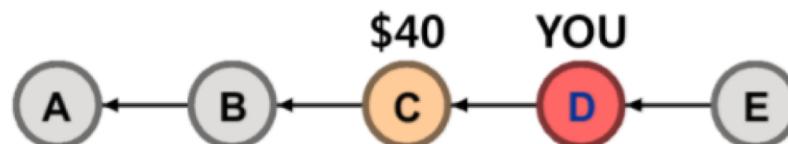

Task II

- Example 2

Task II instruction

- Suppose you are in position D. Your opponent C requests \$40.
- You can request money amount out of \$10, \$20, \$30, \$40, or \$50.

Your Choice	Bonus	Your Earnings
\$10	\$0	\$10
\$20	\$0	\$20
\$30	\$100	\$130
\$40	\$0	\$40
\$50	\$0	\$50

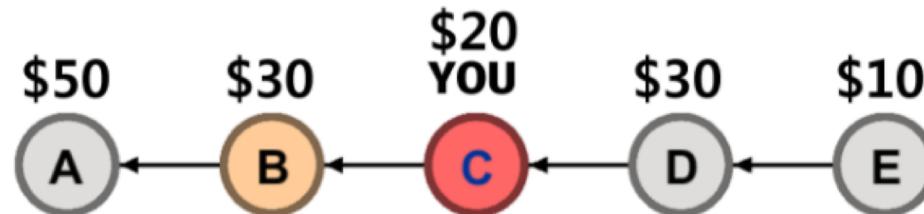

Comprehension Quiz I

The purpose of this quiz is to ensure that your comprehension of the instruction is correct.
Your answer does not affect your earnings.

Suppose that in one of the five rounds, **you are assigned to be in position C**.

- The individual in position A requested \$50.
- The individual in position B requested \$30.
- The individual in position C (**YOU**) requested \$20.
- The individual in position D requested \$30.
- The individual in position E requested \$10.

[Question 1] who is your opponent?

- A B C D E None

[Question 2] please calculate your earnings in SGD.

- 20 50 100 120 150

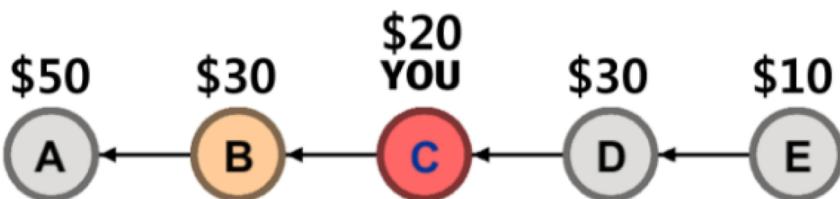

Comprehension Quiz 1 : Again

Your answers are wrong.

Please solve the problems again.

Suppose that in one of the five rounds, **you are assigned to be in position C**.

- The individual in position A requested \$50.
- The individual in position B requested \$30.
- The individual in position C (**YOU**) requested \$20.
- The individual in position D requested \$30.
- The individual in position E requested \$10.

[Question 1] who is your opponent?

- A B C D E None

Hint: A person who is **in front of you** is your opponent.

[Question 2] please calculate your earnings in SGD.

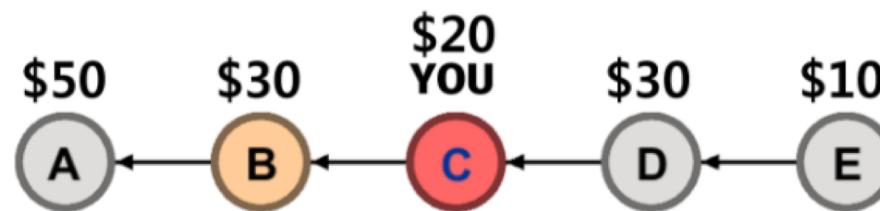

- 20 50 100 120 150

Hint: You receive extra \$100 bonus if you request the money amount exactly \$10 less than the money amount requested by your opponent.

Answers of Comprehensive Quiz I

Suppose that in one of the five rounds, **you are assigned to be in position C**.

- The individual in position A requested \$50.
- The individual in position B requested \$30.
- The individual in position C (**YOU**) requested \$20.
- The individual in position D requested \$30.
- The individual in position E requested \$10.

[Question 1] who is your opponent?

- A B C D E None

Your answer is correct.

[Question 2] please calculate your earnings in SGD.

- 20 50 100 120 150

Your answer is incorrect. The correct answer is \$120 (\$20 + \$100).

Next

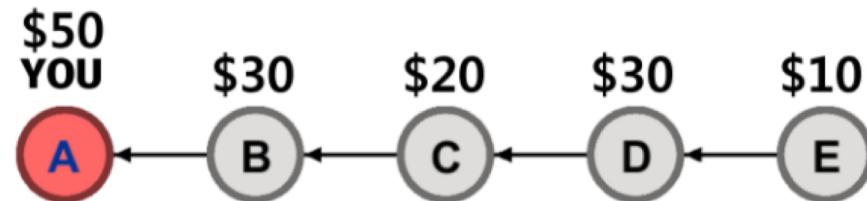

Comprehension Quiz II

Your answers are wrong.

Please solve the problems again.

Suppose that in one of the five rounds, **you are assigned to be in position A**.

- The individual in position A (**YOU**) requested \$50.
- The individual in position B requested \$30.
- The individual in position C requested \$20.
- The individual in position D requested \$30.
- The individual in position E requested \$10.

[Question 3] who is your opponent?

- A B C D E None

Please solve this problem again.

[Question 4] please calculate your earnings in SGD

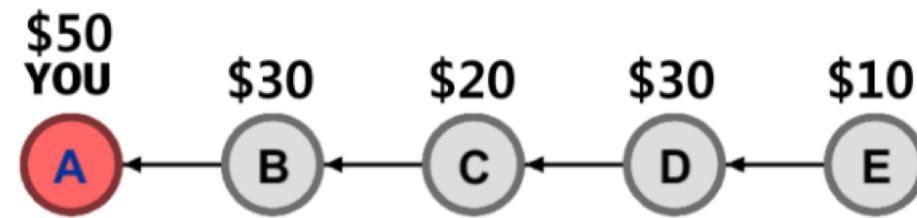

- 20 50 100 120 150

Hint: When your position is A, your earning is simply the amount you request.

Answers of Comprehensive Quiz II

Suppose that in one of the five rounds, **you are assigned to be in position A**.

- The individual in position A (**YOU**) requested \$50.
- The individual in position B requested \$30.
- The individual in position C requested \$20.
- The individual in position D requested \$30.
- The individual in position E requested \$10.

[Question 3] who is your opponent?

- A B C D E None

Your answer is incorrect. The correct answer is None.

[Question 4] please calculate your earnings in SGD

- 20 50 100 120 150

Your answer is incorrect. The correct answer is \$50.

Task III Result

You answered correctly **23** out of 28 questions.

[Next](#)

Task I Earnings

Now, we are going to conduct the lucky draw for your Task I.

Please click on **Draw** button to decide what "Target floor" you will be payed in Task I.

Draw

Task I Earnings

In Task I, Target floor 11 is randomly selected.

Task I earnings	Target Floor	Results
	5	You Win (\$5)
Selected	11	You Lose (\$0)
	14	You Lose (\$0)
	17	You Lose (\$0)

Please click this button
to decide the earnings of Task II.

Task II Earnings

Now, we are going to conduct the lucky draw for your Task II.

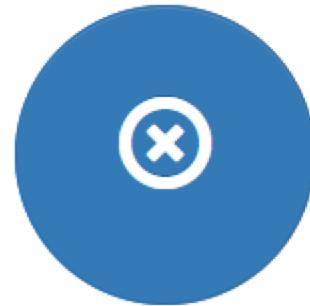

Please click **Draw** button to decide whether you are selected or not.

Draw

Task II Earnings

You are **not selected** to be paid in Task II.
Therefore, your earnings in Task II is \$0.

Please click this button
to see the total amount of earnings.

Summary of Earnings

Thank you for your participation. The survey is now completed.

1. Task I: We randomly selected "Target floor 11" and thus your earning from Task I becomes **\$0**.
2. Task II: \$0 (**You are not selected to be paid**).
3. Since you completed the survey, we will pay you the participation fee of \$5.

The FairPrice voucher you will receive =

Earning from Task I (\$0) + Earning from Task II (\$0) + Participation fee (\$5).

Total payment = \$5 FairPrice voucher.

Thank you very much for your participation.
Please click this button to finish the survey.

Comments

Do you have any comments on the survey? Please type these in the below.
